CSET 2200

Exam Results

Stats

- Median 80
- Mean 71.2
- Std Deviation 26.4

Stats (contd)

- 2 100's

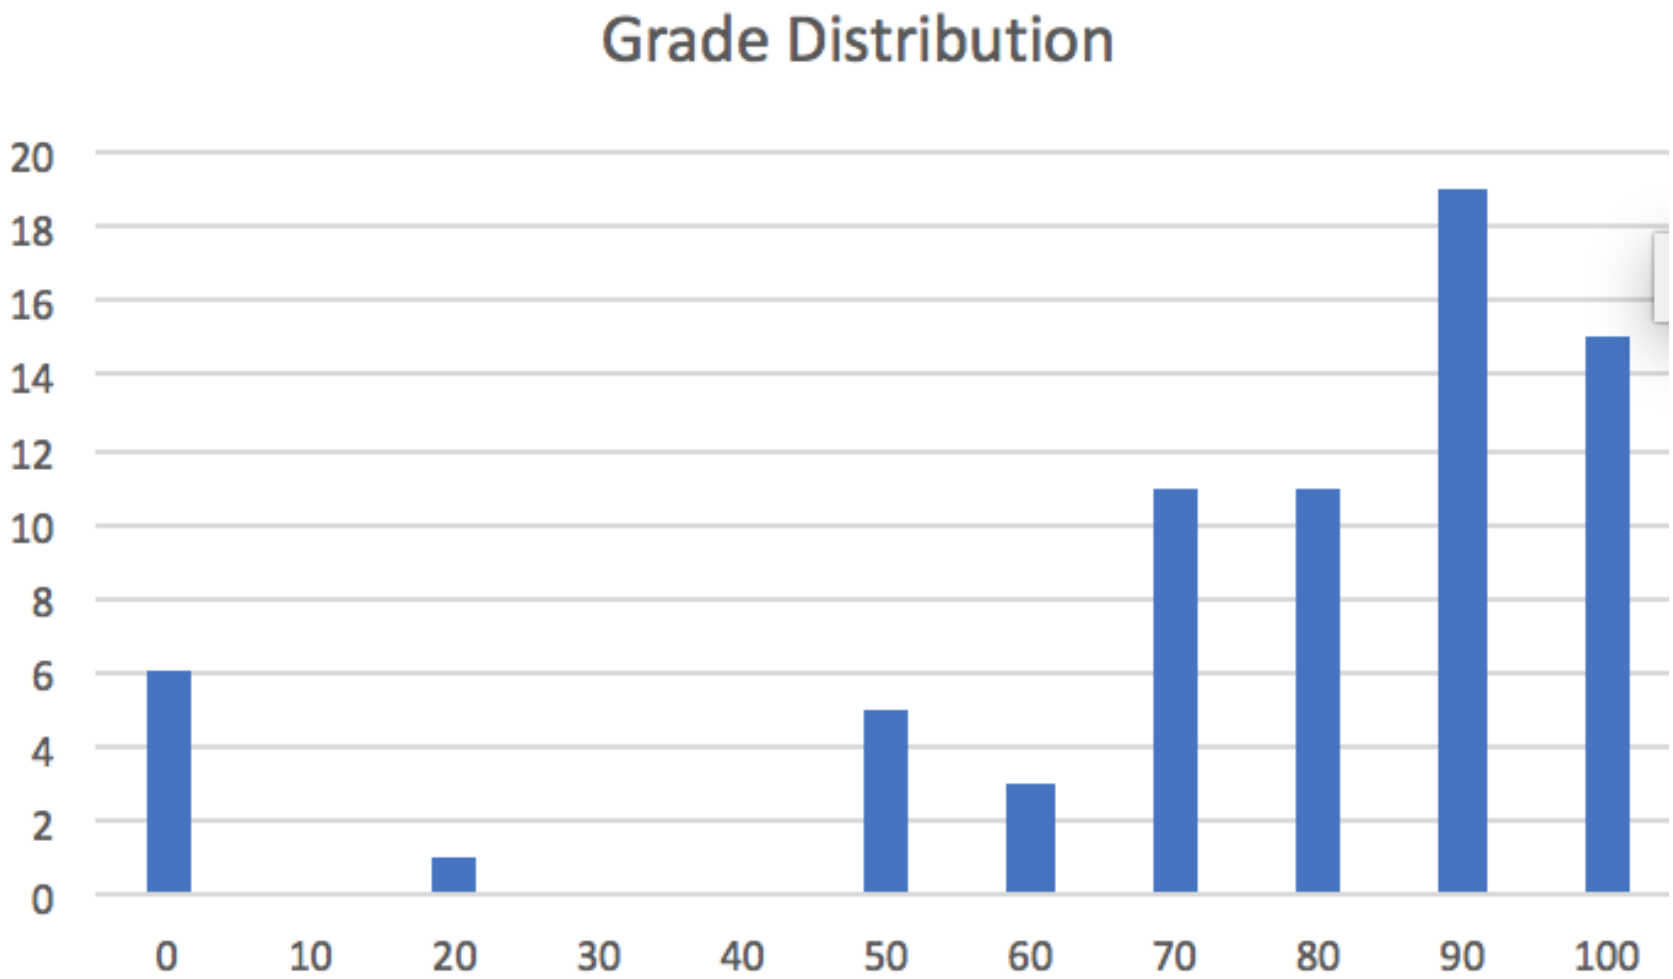

Figure 1: Grades

Explanation

Other Administrivia

And now for something completely different

- Switching gears to practical
- Will be closer aligned with lab

Simulators and Emulators

- Simulators don't run actual code
- Given inputs fake output
- Emulators run actual code

Packet Tracer

- Simulator
- Used in Lab

VIRL

- Emulator
- Runs IOS (Cisco software) on Openstack
- Used for more advanced tests
- What I use

Intro and Example
